What qualities of the catacomb are emphasized by the two arches? Explain.

crypt were still ornamented in this manner. From the fourth the bones had been thrown down, and lay promiscuously upon the earth, forming at one point a mound of some size. Within the wall thus exposed by the displacing of the bones, we perceived a still interior recess, in depth about four feet, in width three, in height six or seven. It seemed to have been constructed for no especial use within itself, but formed merely the interval between two of the colossal supports of the roof of the catacombs, and was backed by one of their circumscribing walls of solid granite.

It was in vain that Fortunato, uplifting his dull torch, endeavored to pry

“Proceed,” I said; “herein is the Amontillado. As for Luchesi—”

“He is an ignoramus,” interrupted my friend, as he stepped unsteadily forward, while I followed immediately at his heels. In an instant he had
